

ANNA LOUISE JIONGCO

PHOTOGRAPHY 2015

ARTS & ENTERTAINMENT PHOTOGRAPHY SERVICES

2015-2016 is the year when photography, style, entertainment, culture and the arts become integrated with specialty brands, companies, entrepreneurs, media and publications, all artists, and any client looking to to utilize Anna Louise Jiongco Photography services to enhance their marketing material, brand identity, visual online presence, generate unique or simple ad campaigns and promotional materials, provide professional headshots and portraits for web and portfolio purposes, and capture aesthetically-driven event and live performance photography. All rates includes travel within New York City, necessary set up time, selected images for immediate download via Dropbox.com and an optional disc with images for your personal archives.

Beauty, Style, Fashion & Creative Portraits

With seven years of shooting both film and digital formats for boutiques, fashion brands, designer labels, modeling agencies, salons, beauty brands, and individuals looking to get a full service of creative services alongside their photography sessions, Anna Louise Jiongco Photography offers these photography rates to enhance your marketability, visual presence, build your portfolio and even deliver narratives. This includes look books, which is a specialty at Anna Louise Jiongco Photography. Every package includes professional hair and make up services from top industry artists and stylists from my artist production team based in New York City, travel expenses, rental fees, photography, basic post-production and retouching services, an online album to share, all selected images for immediate download and any mailing and postage fees if necessary. Photos take 7-10 business days to process.

Meet The Artist Production Team

Outside of our creative professions, we are all artists that pursue anything from poetry, acting, comedy, tattoo art, graphic design, drawing, installation, and painting. Therefore, we try to bring our respective experience in the industry and our artistic background to produce a creative and experiential production experience for our clients. We all have done editorial work and have over five years of experience as creative professionals doing both commercial and editorial work.
